

White angels looking beautiful, dancing up in the sky
Santa and his reindeer, clip-clopping up so high
You can hear his jingle bells
Ringing through the night
I am feeling joyful, as Santa's sleigh takes flight

It's Christmas - go go go
(Go go go, go go go)
My garden's covered in snow
(Snow snow snow, snow snow snow)
Santa's ho ho ho
(ho ho ho, ho ho ho)
It's Christmas- go go go
(Go go go, go go go)

Christmas time is amazing, 'cause its a time to be jolly
Mistletoe, Christmas tree, presents - don't forget the holly!
Christmas crackers to pull, and jokes to make you laugh all day
Snowman with a great pointy nose, you don't get this in May

It's Christmas - go go go
(Go go go, go go go)
My garden's covered in snow
(Snow snow snow, snow snow snow)
Santa's ho ho ho
(ho ho ho, ho ho ho)
It's Christmas- go go go
(Go go go, go go go)
x2

It's Christmas! It's Christmas! It's Christmaaasss!
